Slow Cooker Dinners (Original Series)

Synopsis

Company's Coming offers over 100 delicious ways for busy households to save time with "Slow Cooker Dinners". This convenient style of cooking continues to gain popularity with families looking for wholesome supper choices that can fit into their hectic schedules. A resourceful collection of recipes like steak, ribs, vegetarian and even small quantity dishes gives you the opportunity to make preparations as early as the night before, right up until three and a half hours before dinner. Opening pages offer tips and advice on the best ways to use your slow cooker.

Customer Reviews

I bought this right after I got a crockpot in 2007. It was my only cookbook dedicated to slow cooking. I can't say I've made every recipe, but I've made the majority of them and they are a staple in my weekly cooking. This book gave me the confidence to improvise too - after making several of the meals repeatedly, I started embellishing them, suiting them to my families tastes, substituting when I realized that I forgot some key ingredient, or just plain making something up because it was similar enough to one of the recipes in here. I use my crockpot all year round - Perfect Pulled Pork, Spicy Beans and Rice, Shredded Beef-On-a-Bun in the summer. Squash & Lentil Curry and Curried Split Pea Soup in the winter. Who am I kidding? I make them all - all year round! Pizza Topping Soup, Spicy Peanut Chicken, Vegetarian Biscuit Stew - so many are family favorites :-)

The book is divided by main ingredients: Beef, Chicken & Turkey, Pork & Lamb, Meatless, Legumes, Small Quantity, Makes me

want to go make a grocery shopping list!

thank u
