Synopsis

Can Grace find true love on the internet? Widowed Grace is handling life just fine on her own, except for endless chores and long, lonely nights. But when she falls head-over-heels for a pair of blue eyes she spots online, life suddenly becomes complicated. Will she let a kitten decide who she should date? CAT TALES is a series of short, stand-alone fiction celebrating the human-animal bond, from award-winning author Linda Benson. They can be read in any order.

Customer Reviews

Okay . . . I love the depth of this book. It deserves 5 stars, really, but there's one thing that confuses me: Why in the world did Grace suddenly warm up to Herb after kicking John out? I was so confused. All in all it was amazing, except for the fact that I kind of want to beat John up for throwing little Sampson . . . :)

If you are a cat person you will like this story and if you are a retired cat person you will like it more

Cute and moving story about Grace, who finds love--and a blue-eyed kitten--in an unexpected

place.

THIS COLLECTION OF CAT STORIES IS ABOUT HUMANS & THEIR RELATIONSHIP WITH CATS. SOME OF HAPPY. SOME ARE SAD. SOME ARE THOUGHT PROVOKING. THEY HIT ALL LEVELS OF HUMAN - CAT EMOTIONS.

While this is a short story, unfortunately I would have loved to deck the one character just as he did. What a creep! Another life story that just begs for more helpful good people.

Loved this book. Had all the elements that makes reading so enjoyable. It flows well and regrettably was over before I wanted it to be.

I loved this story! A very happy ending. I would highly recommend this sweet short story to everyone who loves cats!

This book was well written and keeps the audience's attention. A feel good book and excellent reading before bed.
