I bought this because thought the chicken coop on cover was interesting and I wanted to see the plans for building it. Not only are there NO plans for building this or any other chicken coop, the material isn't even original. The picture on the cover is one he ripped off from the Urban Coop Company website!!! You can get all the info in this book and much more for free on the internet. DO NOT BUY THIS BOOK!!!

Unless my download was missing links to plans....there are none. Do yourself a favor and simple google chicken coop plans for your climate.
