Customer Reviews

Happy, sad, tragic, funny, nostalgic, creepy, interesting and profound -- insights and reflections of creative women capable of being really honest and really putting it "out there" for all to see. My guess is that for those who had sad, tragic and creepy things to share, writing out it was therapeutic. For me as a reader it was thought-provoking as well as feeling-provoking, and made me feel a long lost connection with "twisted sisters" I never met.

This book characterizes what Kitchen Sink Press is all about. I strongly encourge everyone to check out the other books like TS2, i.e. Great Women Superheroes and A Century of Women Cartoonists

Not for kids, as it contains pornography. But super well drawn. Fascinating mix of style. Fun read. I loved the different styles.
