Living With HIV And AIDS: Prevention, Healing Symptoms, The Newest Treatments, And Possible Cures (Health Book 1)

Synopsis

The Definitive Guide To HIV/AIDS Living with HIV or AIDS can be extremely difficult, not only because of the stigma but because of the medical treatments which, while they are advancing every day, have a ways to go. This book tells you everything to know about HIV/AIDS, including everything from infection to the different stages of the disease to the innovative new treatments that are starting to become available (some as new as March 2014!). "It is bad enough that people are dying of AIDS, but no one should die of ignorance." - Elizabeth Taylor Here Is A Preview Of What You'll Learn...How HIV and AIDS work in the bodyHow infection occurs, and several strategies at preventionManaging symptoms of HIV, and preventing it from turning into AIDSModern treatment, and some cures that are in the works as we speakMuch, much more!Download your copy today!Tags: AIDS treatment, HIV Prevention, Living with AIDS, HIV AIDS, AIDs cure, pediatric hiv, HIV cure, Prevention, Healing Symptoms, the Newest Treatments, Possible Cures

Customer Reviews

A great eye opener on an otherwise depressing subject. I left feeling educated and optimistic.

This book was a great intro for anybody seeking to learn the basics of HIV/AIDS. I found it very informative and it read more like a story rather than a textbook, which I think is a very nice change from many works written on the subject.
