# Rice Recipes From Puerto Rico

## Synopsis

Rice is a staple of the Puerto Rican diet, and over the centuries, a number of delicious dishes have been developed on the beautiful Caribbean island. While some of these recipes are passed on from generation to generation, others have been forgotten and until now were lost to those who wish to experiment with preparing Puerto Rican cuisine in their kitchens. "Rice Recipes from Puerto Rico" brings recipes for both these delicious, yet largely forgotten rice dishes and longtime favorites together to help every cook prepare tasty Puerto Rican meals at home. "Rice Recipes from Puerto Rico" was written by Iris Cruz, who is known for her easy to follow, definitive guides to Puerto Rican cuisine. The recipe book includes 30 rice dishes that include main dishes, sides and desserts. Each recipe begins with a complete listing of what's needed to prepare the dish and a brief introduction to how the dish is enjoyed in Puerto Rico. Then, Cruz provides a simple step by step outline of how best to prepare the dish. The book concludes with a list of helpful resources that home cooks can use to learn more about Puerto Rican cuisine. With "Rice Recipes from Puerto Rico", it's easy to bring a taste of Puerto Rico to the dinner table and create rice dishes with Caribbean flair that every member of the family will enjoy.
