## Customer Reviews

I had no intention of writing a review of this product because it never occurred to me. However, the .com system offered me the opportunity this morning since I took the time to write a brief review of "Crochet Saved My Life:..." by Kathryn Vercillo recently and that, it would appear, was helpful to someone interested in reading that book. Thus..."Hypno Diet:..." by Wendi Friesen is a written and audio combo that I bought from .com last November while in the midst of a trip to NoCal, USA. I bought it because I am a practitioner of auto- (self-) and hetero-hypnosis (hypnosis by another on one's self) as a first line of action in the resolution of problems--across the board--in life. If you are contemplating purchasing this product, no doubt, you are, at the very least intrigued by the utility and potential of hypnosis as "a force for good" in you life and those of your loved ones. Believe it or not, I came to purchase this product from among the offerings in Wendi Friesen's product library at [...] via .com thanks to guidance from Wendi Friesen herself. I have used HRT for 6 years to control the symptoms associated with menopause and wanted to wean myself off the hormone replacement pharmaceuticals with as few uncomfortable symptoms as possible--knowing just how many there are/can be. Having bought and used "Cool Blue" with enormous success and satisfaction in early November 2012, I was impressed enough with Wendi's work to give "Hypno Diet:..."
