Essential Guide To VBA Programming For MS Excel

Essential Guide to
VBA Programming
MS Excel

Donnie Baje

Synopsis

This book is specially arranged for people who wants to learn VBA on their own. The author has been teaching VBA for five years and had designed this book the way VBA can be easily learned. Similar to other books of the author, concepts are explained in layman's term to make learning easy. This contains the basics up to intermediate level of VBA Programming. Workfiles can be requested from the author using the email address found at the last pages of the book.
