Scope And Standards Of Diabetes Nursing Practice (American Nurses Association)

Synopsis

Diabetes is a chronic illness of epidemic proportion. Nursing practice in this specialty area emphasizes patient education and self-management in all settings. Standards of care and professional practice and their measurement criteria are included in this new text along with an essay on the specialty's status and trends

Customer Reviews

Very well done. Excellent scope of practice review for the BSN and the Masters prepared RN. Can be used for writing job descriptions and setting up RN levels from novice to expert. Used for competency evaluations
