Customer Reviews

This book provides a helpful breakdown of the causes of high blood pressure and ways to combat it naturally through healthy eating. The book goes through all the basics that anyone who has recently been diagnosed with high BP would need to know in order to deal with the illness in a smart and effective way. The recipes are so easy and will surely make you feel energized all day.

Awesome and impressive! This book is very easy to read and very easy to cook! From snacks to dinners every recipe is in there to lose weight and to feel good about yourself!! One of my favorite recipes is the curried spinach and chick peas! If you are looking on how to cook meals for a healthier life this book is for you! Worth recommending book!

Easy to read with valuable information on foods that are rich in antioxidants readily available and not costly. This has some really great recipes. If you're looking for a simple cookbook without obscure, expensive ingredients that you'd have to order online, this is for you. The meals are simple and filling but also healthy so if you're looking to lose some weight these would be a great kick start at learning how to cook healthy and mindfully. This cookbook is a must for anyone looking to eat more super foods! All the Recipes are easy to follow, easy to prepare and make. This book is best for everyone who really want to enjoy the food and remains healthy. Also you can directly reach your favorite recipe by just click over it. I Highly recommend This Book!

You have here a light cookbook with a whole month of cooking. All the recipes are wonderful. The mix of fresh cooked food are so delicious and easy to prepare. I loved it!

Great book with great recipes!
