Customer Reviews

These toasts were especially valuable yesterday on St. Patrick's Day. Entertaining and totally full of blarney - - one might say the Irish have a special way with words.

Great toasts, dittys, and photos of authentic Irish pubs. Plus nearly 30 drink recipes, including the proper way to pour a Black and Tan... Slainte!

What a fun little book brimming over with Irish toasts and limericks. Saint Paddy's day is a BIG thing in Butte, Montana so we try to stay away from there during the celebration. Maybe we can go armed with some of these toasts and win a bet or two. Great job in gathering and gleaning all these wonderful and colorful toasts and greetings from Ireland. Judy Helm Wright, author and parent educator

You gotta love the Irish! And since I am Irish, I thought this book was fantastic. While I have used a couple of these toasts in the past, now I will never be without a witty toast!!!!

I am always teaching my kids other cultures and came across this little book Irish toasts . Now they have one place to go to without going through various other resources. Very nice IRISH resource on hand now. Thanks Jean.
