The Everything Wedding Etiquette Book: From Invites To Thank-you Notes - All You Need To Handle Even The Stickiest Situations With Ease (Everything®)

Synopsis

Your essential guide to the modern wedding! Is it acceptable to invite my boss to my wedding? Can I tell my guests not to post pictures of my wedding online before I can? How do I ask my in-laws to help with wedding costs? How long do I have to write thank-you notes? Every bride has her own etiquette dilemma, from dealing with unhappy stepfamilies to a guest who posts a picture of the invitation on Facebook, advertising the wedding date and site to hundreds of nonguests. While some etiquette rules stay the same (bringing an uninvited guest is still rude), the ever-changing modern world has brought on a new slew of challenges. Luckily, *The Everything Wedding Etiquette Book*, 4th Edition has the advice you need to conquer any etiquette predicament. From satisfying future in-laws to controlling your event's online presence, you'll learn how to handle every situation with grace and ease. Organized to guide you through the wedding-planning process as it happens, this little book has all the answers you need right when you need them. It's your one source for planning a perfect, stress-free wedding.

Customer Reviews

This was so helpful and well laid out. It answered a lot of the questions I pondered and that I will

probably end up arguing with family/friends about when I announce my engagement. It made me feel less guilty about some things I want that I was worried were too outlandish. I took this out from the library, but have decided to buy it to keep handy, in case I want backup in disagreements while planning. Then I will give this and my A Practical Wedding book to a friend who will begin her planning right around my wedding.

I found most of the advice in here to be fairly useless, because it doesn't have a lot of modern (i.e., outside the traditional box) advice and the authors either barely acknowledge any of the differences in planning a Jewish wedding. Save yourself the money. Read Emily Post online for modern, up-to-date advice (the Emily Post wedding book is from 2005), and for Jewish wedding advice, go with Anite Diamant's The New Jewish Wedding.

Easy to read, easy to look up questions I had an interest in answering. I passed it on to another future bride.
