# Murder Under The Catwalk (Vanessa Abbot Cat Cozy Mystery Series Book 6)

## Synopsis

There's a new play opening at the Caspar Crossing Theater, and Vanessa Abbot and Detective Pete Wheeler are in attendance as guests of the director. No one in the theater is prepared, however, when the director himself crashes through the set wall and falls down dead in front of everybody with a sword sticking out of his back. Pete and Vanessa unravel a tangled web of lies and deceit to discover a dramatic cast of suspects, all with motives to murder. Can Vanessa and her cats solve the murder before the killer gets away?

## Customer Reviews

Crouched by not "Crotched", Passed Out, not "Past out"...ugh..if this had been an actual book I would have slammed it shut, and thrown it away. I believe authors should have enough respect for their work, and their readers to provide a nice read...that won't be interrupted with stupidity. Editing! It helps! A quick read for \$0.99....helped to pass some time while crocheting, but I wasn't impressed. Went way too quickly, the characters are underdeveloped with no real depth. A predictable outcome from the moment they go to the theatre...But, as I said...when you want to read, you don't want to

have to be stopped by a "Do what? What was that word?" The flow of reading and enjoyment is so lost when that happens.

Always enjoy these books so much; the plots aren't complicated, but the characters (both cat and human) are ones you want to hang out with. I like that I know I won't be overwhelmed with uncomfortable situations or language.

I have really enjoyed reading each installment of this series. With Murder Under The Catwalk a night out soon has Vanessa and Pete solving another murder, of course the cats do their part as well. A quick easy read. The only reason I gave it a four star rating was because there were several editing issues.

Did find a few errors in this one and names mixed up but I still enjoy the series. I read the entire series in a few days and love Vanessa and her furry family. I am really enjoying how they cats always come in to help her out in her time of need.

Someone murders the director of a play, on opening night. Zachary Hall was the producer/director of End of the Knight, a play he allegedly stole from someone else. Vanessa and her cats help Detective Pete Wheeler solve the case. Okay story!

Decent mystery within the mystery cat genre cozy. It was well-written but I don't feel compelled to read anymore in the series. Totally worth the .99c I paid for it.

Great cozy read. Easy to visualize all the characters...including the cats! The murderer wasn't too easy to spot, just wicked enough at the end.

Loved reading it and was not disappointed!
