# Science, Development, And Violence: The Revolt Against Modernity (Oxford India Paperbacks)

## Synopsis

In the last few decades, the idea of "development" has usually been associated with progress, modernity, and emancipation. The author argues that, to the contrary, it is actually a term that has been used to mask the organizational plunder of resources and instill violence into the culture. He demonstrates this with the abundant use of case studies as well as viable alternative forms of progress. This work will be of interest to those interested in the ecology and environmental studies, as well as development economists.

## Book Information

Series: Oxford India Paperbacks

Paperback: 186 pages

Publisher: Oxford University Press (1994)

Language: English

ISBN-10: 0195632818

ISBN-13: 978-0195632811

Product Dimensions: 5.6 x 0.4 x 8.5 inches

Shipping Weight: 8.8 ounces
