Customer Reviews

Fantastic book! I'm Swedish, but my wife is not. This has been our food entertainment for the last month.

I found it to be very interesting, but it was not written with the American kitchen in mind. Directions weren't clear and there were typos. Some ingredients were unknown to me. Nevertheless, I did enjoy reading it, and it gave me some ideas for improving some of my standard recipes. I'm also keen now to go to Sweden to try some of the book's dishes at the author's restaurant.

Good Book, Reasonable Price and fast Shipping. Great Purchase.

A nice one, relevant and interesting.
